

### Welcome to issue 5 of Interconnection -

This issue is designed to keep you informed about what the Association is doing as the outdoor season finishes and we look towards the indoor matches we get involved in. This issue will also talk about the Presentation evening in January and the AGM also held then. *Traditionally we have communicated to you via your EHBA delegate. They provide an important link between you and the EHBA. This newsletter supports the work that they are doing.*
