East Hertfordshire Bowling Association Autumn Newsletter

2026 was our 75th Anniversary, and we celebrated in style.
We had more competition entries; more players than ever before played in an EHBA match and our finals day saw really close matches supported by larger crowds than in previous years.

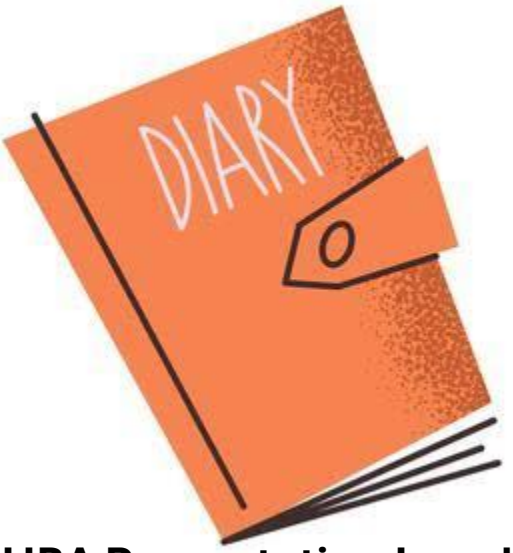

In 2026 the sun shone and we took full advantage! We would like to express a big thank you to everyone who turned up and played for the Association.

We are not just about our knockout competitions. We put a lot of effort into providing opportunities to play across the district against some great opposition.
A big thank you also goes to all the EHBA delegates who provide ways for us to talk to you, the EHBA members.

Looking ahead to 2027 we are currently finalising our fixtures. We will be opening our knockout competitions to a wider audience, making them open to all male and female members. So, keep an eye on your notice board or in-box so that you don't miss out on some really great matches and competitions next summer
